The Residence shall be a second to the second to the Second of the Secon

, plus overview of the Sainsbury agenda and localism.

## 6. Spotlight on Functional Skills Reform

The Board received a presentation from Sue Southwood work being completed in the ETF-led Frontai Social State Purform Programme. The Board noted that the work was commissioned after the ETF published the Making Maths and English Work for All report (Maxile 2015) Item

stakeholders had the opportunity to contribute and compart on the issues associated with Eventional Skills explifications and considerate stands.

The Board reported corrector from elements of the seator rethe correspondings of mothe and

to study for qualifications most relevant to them recardless of policy or other intertiurs dicinantings.

The Board thanked Sue for the undate and agreed it was a eisson impliful lustration of the ETF's work.

. Risk Management

regarding the relationship, they felt that steps had been taken to improve the position and that this meeting's discussion amongst Board members had helped. There is a substitute of the position and that they would welcome being asked to report back on Board discussions to the and sought guidance on how they could be a useful
